LEARN-TO-SKATE

Campus Recreation’s learn-to-skate program is offered to anyone 3 years old and up, including adults. Participants will develop skills in a safe and fun environment while following the guidelines of U.S Figure Skating for recreational and competitive skaters. A USFS membership for skaters is included in class registration fees.

LTS CLASS DESCRIPTIONS

TOTS: For 3-5 year olds who have zero or little skating experience. This class uses a variety of games and easy to understand terms to teach the basic skating skills and comfort on the ice.

BASIC 1-6: Basic 1-6 skills are the fundamentals of the sport. These six levels introduce the fundamental moves: forward skating, backward skating, stops, edges, crossovers, turns, and mohawks. Upon completion of Basic 1-6 levels, skaters will have a basic knowledge of the sport and be eligible to participate in the pre-freeskate and specialized classes.

*PRE-FREESKATE: Designed to replace the previous curriculum of Basic 7 & 8 classes. This class will build on recently learned skills and create a strong foundation to prepare skaters to advance to private lessons and other specialized areas of skating.

ADULT 1-4: Adult 1-4 classes are designed for the beginner adult skater. They will promote physical fitness and improve balance and coordination while teaching proper skating techniques. Adult skaters will progress at an individual rate while being challenged and motivated.

PRIVATE LESSONS: Private lessons during Learn-to-Skate are open to those who would be eligible to be in Tots, Basic 1-6, or Adult 1-4. These lessons will be one-on-one with an instructor. Makeup will not be allowed.

*JUMPS & SPINS: Skaters can begin to learn proper jump and spin technique appropriate to their skill level.

All classes are progressive; therefore completion of previous levels is required for enrollment in each level.

*Skaters must have passed Basic 6 or Adult 4 in order to participate in these classes.
