2016-2017

Wednesday, November 9th, 2016; 4 PM, Large Conference Room at the ARC

- b. Introduction for Members who weren't able to make it to first meeting.

2. Open Question Forum

3. Old Business

- a. Presentation of Site + Policies & Signage (update) Jess & Melissa
 - i. It has all been updated on the web, but not within the facilities; we have a major painting project going on and would like to take down the old signage, paint, and then put up the new signage
- b. Big Ten Schools & student fees comparison – Jess
 - i. Jessica Gentry shared the charts and noted that comparing these are not apples to apples, as noted in the “Notes” section. Not all schools have a similar set up to us—some are under Athletics, some are under an academic unit. Other programs don't have the facilities or staffing that we do. Given those that we would compare ourselves to (Maryland, Minnesota, Purdue, Iowa, Ohio State, and Nebraska), we rank 5th highest in fees.

4. New Business

- a. Introduction of New Staff – Ella Bailey & Lauren Wheeler
 - i. Ella Bailey—Sponsorship and Outreach, works within Marketing and Promotions
 - ii. Lauren Wheeler—Ice Arena Specialist
- b. SFAC student fee update – Diane
 - i. We did not receive an increase for the 7th year in a row. We were asked to review our student employee pay rates in anticipation of a minimum wage increase.
