A PLACE FOR EVERYONE

Vision: A PLACE FOR EVERYONE

Values: Innovation • Collaboration • Leadership
Student Experience • Inclusiveness

Mission: Campus Recreation provides a welcoming environment with sustainable facilities and programs that inspire the University community to engage in recreation and wellness opportunities.

University of Illinois Campus Recreation, as part of Illinois Student Affairs, celebrates diversity.

As such, we are dedicated to providing an inclusive environment with safe services, programs, and facilities that are welcoming to all individuals regardless of race, ethnicity, religion, spirituality, gender, gender identity/expression, age, sexual orientation, ability, socioeconomic status, or national origin. In an effort to accommodate all of our members, we provide multiple workout areas and programs to address various skill, ability, and individual comfort levels.

Campus Recreation makes every effort to be accessible to all abilities. If you need special accommodations for any facilities or programs, please contact us at campusrec@illinois.edu.
Why Apply
Campus Recreation is one of the largest on-campus employers with almost 700 positions available, ranging from lifeguarding to officiating to assisting customers. You will find your niche at Campus Rec.

Student employees play an invaluable role in providing customer service, safety, and fun to our guests. Campus Rec will offer you valuable work skills, life-long learning opportunities, and lasting friendships.

All Campus Recreation employees also have the potential to be promoted to leadership positions to enrich their experience as an employee and University of Illinois student. These leadership roles provide additional opportunities to provide you with transferable skills to take with you after college.

Work study, wage positions, and internships may be available in a variety of areas.

Internships
For those who are interested in the business side of Campus Recreation, internships are available within specific specialized functions.

The hiring process for internships is separate from the part-time positions. Internship applications will be posted on our web site when positions are open.

Application Process
Campus Recreation continually accepts applications—there are no deadlines to submit an application. You can select up to two (2) positions when you submit your application.

At the time of your application, these units may or may not be hiring (see website for current openings). If one or both units are not hiring, your application will stay on file and reviewed the next time those units have openings.

Peak Hiring Times
Fall: August / September
Spring: November / December
Summer: April
Applications are active for one academic year.

Process
Step 1: View online information session at campusrec.illinois.edu/employment
Step 2: Submit an online application

Ever since my internship working with the former Director, Robyn Deterding, Campus Recreation has always felt like home to me. With a bachelors in Recreation, Sport & Tourism I was undecided about the direction I wanted to go in; but working here has helped me realize that campus recreation is a profession I could see myself making a career of my own one day.

Jamil Henderson, Director’s Intern

Working at Campus Recreation has been one of the best decisions I’ve made since coming to the University of Illinois. I was able to complete an internship as well as take advantage of the promotional opportunities and cross-employment. The shifts worked around my class schedule, and I always felt that there was a significant emphasis on school coming first. As a bonus, I got to make and work with great friends. With the wide variety of positions and facilities, I do believe it is a place for everyone.

Nicole Robinson, Student Development Grad Assistant & HR Intern

The significant impacts of my employment at Campus Recreation were the student and professional development, great mentorship, and lifelong friends. I enjoy giving back to the campus community and developing the skills of fellow students.

Alejandro Gonzalez, Facility Management Program Assistant
