   - ARC Locker #: ____________________________

5. I have read and agree to the locker issuance agreement. ________ initial

LOCKER ISSUANCE AGREEMENT:

Please read the following statement. All questions concerning locker rental should be directed to Member Services.

1. All lockers within Campus Recreation facilities are the property of Campus Recreation and the University of Illinois and are subject to applicable University and Campus Recreation policies. Campus Recreation reserves the right to alter the policies governing the use of lockers with appropriate notice. Use of a locker by a person other than to whom it is issued is forbidden. Misuse of a locker may lead to termination of locker privileges or membership.

2. All lockers not renewed or returned by the date indicated will be vacated. Although efforts will be made to store items for 7 days, Campus Recreation assumes no obligation to do so. Following the established renewal dates, all remaining contents will, in accordance with established University rules and regulations, be considered abandoned property and disposed of accordingly.

3. Campus Recreation is not responsible for lost or missing items, either before or after clearance of a locker. Campus Recreation will not guarantee the security of the items vacated from lockers. Personal hygiene products will not be stored or made available for retrieval. Items deemed to have little or no value will not be stored nor made available for retrieval.

4. To claim removed locker contents, if applicable, members should visit Member Services. A photo ID is required to retrieve items.

5. Locker rentals are non-refundable.

LOCKER ROOM USAGE AND GUIDELINES/POLICIES:

A. It is recommended that facility users not bring valuables into the facilities. The University of Illinois and Campus Recreation cannot be held responsible for lost, stolen, or damaged personal property.

B. Non-rental lockers may be used on a daily basis; however, contents and locks must be removed each day by the close of the facility. No locks are allowed on lockers designated for daily use after closing hours. Those locks remaining on the daily lockers will be considered unauthorized and removed. Campus Recreation will not be held accountable for the cost of any personal locks removed from Campus Recreation lockers. All items removed from lockers with unauthorized locks will be disposed of immediately.

C. Lockers are not transferable to another person.

D. All personal items must be stored entirely in a locker. All items left outside of a locker will be removed and disposed of accordingly.
