

#ActiveILLINI

FREE CAMPUS BIKE CENTER CLASSES

Fix-a-Flat

The class is a free demonstration; please do not bring your bike.

Learn how to change out a flat tire, the anatomy of your wheel, and how to patch an inner tube puncture! This class is both a demonstration and a hands-on course. Campus Bike Center provides all tools and supplies.

Thursdays (September 5, November 7)

Fridays (October 4, December 6)

11 am-Noon, Campus Bike Center

Bike Maintenance 101

The class is a demonstration; please do not bring your bike.

This class is an informational session covering the ABCs of maintaining a safe and reliable bicycle. Learn how to use a bike pump, lube a chain, adjust brakes, and make simple repairs.

Friday (October 11)

11 am, Campus Bike Center

What to Wear

Learn how to dress for biking in cooler and cold weather. Learn about layering your clothing and outfitting your bike to stay safe and warm on your bicycle throughout the winter months!

Thursday (October 17)

7-8 pm, ARC Wintergarden

Campus Recreation makes every effort to be accessible to all abilities. If you need accommodations for our facilities or programs, please contact us at campusrec@illinois.edu.
