ASSUMPTION OF RISKS: Participation in Skating Programs carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary from one activity to another, but the risks range from 1) minor injuries such as scratches, bruises, and sprains to 2) major injuries such as eye injury or loss of sight, joint or back sprains, strains, breaks, concussions, cuts, cardiac arrest, partial or total paralysis, and death. We strongly recommend that you consult your personal physician before starting any strenuous activity or class.

I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in Skating Programs. I hereby assert that my participation is voluntary and that I knowingly assume all such risks.

INDEMNIFICATION AND HOLD HARMLESS: I also agree to INDEMNIFY AND HOLD the Board of Trustees of the University of Illinois HARMLESS from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney’s fees, brought as a result of my involvement in Campus Recreation Skating Programs and to reimburse it for any such expenses incurred.

ACKNOWLEDGEMENT OF UNDERSTANDING: I have read this waiver of liability, assumption of risk, and indemnity agreement fully and understand its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily, and intend by my signature to be a complete and unconditional release of all liability to the greatest extent allowed by law.

Campus Recreation’s learn-to-s skate program is offered to anyone 3 years old and up, including adults. Participants will develop skills in a safe and fun environment while following the guidelines of U.S Figure Skating for recreational and competitive skaters. A USFS membership for skaters is included in class registration fees.

Learn-To-Skate Class Descriptions

TOTS: For 3-5-year-olds who have zero or little skating experience. This class uses a variety of games and easy to understand terms to teach the basic skating skills and comfort on the ice.

BASIC 1-6: Basic 1-6 skills are the fundamentals of the sport. These six levels introduce the fundamental moves: forward skating, backward skating, stops, edges, crossovers, turns, and mohawks. Upon completion of Basic 1-6 levels, skaters will have a basic knowledge of the sport and be eligible to participate in the pre-freeskate and specialized classes.

ADULT 1-4: Adult 1-4 classes are designed for the beginner adult skater. They will promote physical fitness and improve balance and coordination while teaching proper skating techniques. Adult skaters will progress at an individual rate while being challenged and motivated.

PRIVATE LESSONS: Private lessons during Learn-to-Skate are open to those who would be eligible to be in Tots, Basic 1-6, or Adult 1-4. These lessons will be one-on-one with an instructor. Makeups will not be allowed.

*PRE-FREESKATE: Designed to replace the previous curriculum of Basic 7 & 8 classes. This class will build on recently learned skills and create a strong foundation to prepare skaters to advance to private lessons and other specialized areas of skating.

*POWER SKATING: The power class includes fast-paced skating designed to build stamina while also improving edge work.

All classes are progressive; therefore completion of previous levels is required for enrollment in each level.

*Skaters must have passed Basic 6 or Adult 4 to participate in these classes.
